

REMARKS

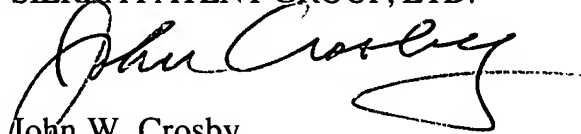

Applicant submits herein an amendment to claim 1, and adds new claims 2-11. Applicant submits herein amendments to the abstract as well as the related applications portion of the present application to include the issued patent number of the parent application.

Applicant respectfully submits that the application now is in condition for allowance and urges the Examiner to place the present application in condition for allowance. If the Examiner feels there are any matters that may be resolved by telephone, the Examiner is invited to phone the undersigned attorney at the telephone number listed below.

Date: June 6, 2005
